

The Glory of the New Temple

Haggai 2:6 -19

vs. 6-7: The disturbances you see will result in the "desire" the chosen seed - look for the children of God to reach out to you.

vs. 8-9: The wealth and his Glory will be on a new level of experience

vs.10-14: The holy continued to touch the unclean - the unclean had greater effect upon the holy due to the motive of the relationship.

vs.15- 17: This portion of the message describes the disappointment of lack and want in their lives. They would expect 50 and gain 30 , 100 and receive 60 God let them know he was trying to get their attention due to the fact he had revealed to them that he was the Shepherd that promised over flow.

vs.18: Now did you notice that when you decided to get back to the Kingdom and began to be apart of the move of God that the favor of God began to fall consider it?

Isn't the seed still in the barn? There will different harvest and manifestations of my blessing now and certainly overflow in your tomorrow.

The shaking once again will position the servants of righteousness. Positioned to make an impression
