

## The Lord Was With Joseph Genesis 39

1. Potiphar: The Captain of the guard and chief executioner. The fall of Adam death purchased or gained the advantage until Jesus Christ. Joseph was constrained by God to mature and position him for a future deliverance.
2. The Lord was with Joseph though enslaved prosperous: having favor, provision, Wisdom and Peace.
3. The world saw the Lord was with him. "*let your light so shine unto men that they may see your good works*" despite his circumstances Joseph stayed focus on his dream, and the possibility of his Earthly fathers rescue.
4. Joseph wasn't LAZY, he was so diligent and anointed. Potiphar a man who managed other men was able to see these skills in Joseph and entrusted him to run his whole house.
5. God will bless the employer because you are there. God will bless a home because of the child or children that seek him live there. The blessing was upon everything.

6. Potiphar entrusted everything to Joseph down to the smallest of details. Joseph was his personal trustee and caretaker. Think of meeting such a person. Not only that he looked like Denzel Washington
7. Evident to the reader that this was a woman that was accustomed to getting her way and was very attractive which was probably why she was Potiphar's wife.  
  
She also was him as subservient yet because of the accolades and esteem that was laid upon him by Potiphar and position she wanted that control. Remember Joseph was running the show not his wife, "lie with me"
8. Adam failed at this point Joseph - Joseph being a prototype of Jesus Christ and Jesus Christ being called the second Adam. Lust of the eyes, lust of the flesh, the pride of life. All being presented at one time. Joseph makes the case and considers the consequences.
9. After making his case of the loyalty to Potiphar he concludes by saying, "I would be sinning against God."
10. Flattery will be the primary way the ANTI-Christ will deceive nations. Flattery it's the strongest tool of seduction. We are all susceptible to it because we are gods and crave the adoration of others. Women are

more discerning than men in this area. Samson allowed Delilah to "wear him down" and thus lost his "power or anointing"

11. Give not occasion to the flesh to fulfill the lust There of... Romans.
12. Once against a garment is going to incriminate him. The distinction of favor and authority is the target of satanic powers and those that have it are looked upon by evils with great disdain. Joseph realized if he stayed he would submit so he fled. "Go away little girl before a beg you to stay"
13. Meaning she had grasped him and as he turned to go it was already in her grasp. (usually the other way around)
- 14-16. The garment will be used by his brothers to prove that he is dead. The garment will be used by Potiphar's wife to prove he fled after attempted rape. His brothers wanted to kill him then sold him, she wanted to defile him then she defamed him.
- 17- 18. To implicate blame for the crime she reminds him you brought him here "the women thou gave me" he attempted to rape me, he left his garment.
- 19 – 20. Joseph's crime warranted death. His anger is with whom? His anger is that he now must lose a good man or call his wife a liar and destroy her

reputation. Potiphar knows his wife and her ways and chooses the last thing he can do considering the circumstances and that's in prison Joseph.
